Dear Mary, George, Roz and Joe,  
I just want to say thanks to all of  
you for the experience of Shakespeare. The  
way you acted was splendid, I have never  
seen anything like this before. To be honest  
it was incredible. I have never ever in my life  
acted in front of people. First I used to  
be shy but you taught us how not to be  
shy. I enjoyed all of it.

I hope you can do it again with  
us next year or with my family. How  
much does it cost? Please reply  
so that I will know.

Thank you.  
Yours sincerely,  
Neelam Khan pba.
